

# S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University, Kottayam)

1. **Title of the program:** Seminar on ‘Keep Cool and carry on: The Montreal Protocol’ sponsored by KSCSTE

2. **Name of the Coordinator/s :** Dr. Rekha Parthasarathy & Dr. Neena P

3. **Organizing Department/Cell:** Department of Zoology & Bhoomithrasena Club

4. **Date:** 18th September 2018

5. **Number of participants:** 95

6. **Venue:** SNM College Seminar Hall

7. **Resource Person/s :** Dr.Jagannath.V, Associate professor, Dept of Zoology , St.Peters college, Kolenchery

8. **Objective of the Program:** 1. To create awareness among students about the Montreal Protocol 2. To create an awareness about the importance of ozone layer.

## 9. Detailed description of the event:

In 2018 the theme of the day “Keep Cool and carry on: The Montreal Protocol” clearly indicates the importance of ozone umbrella for life in earth. It also torches how we are part of nature and how intimately we depend on it. It challenges us to find fun and exciting ways to experience and cherish this vital relationship. In connection with this, Bhoomitrasena club and Department of Zoology of Sree Narayana Mangalam College with the support of Kerala State Council for Science Technology and Environment (KSCSTE), Department of Science and Technology, Government of Kerala organized a one day seminar on 18th September 2018. World Ozone day celebration was conducted in the college to generate awareness among the students about the significance of ozone layer and to inspire the students to inculcate ozone friendly life style by using ozone friendly products. The seminar session equipped people with the knowledge about the causes and impacts of Ozone depletion. The inaugural session followed by a highly informative talk was given by Dr.Jagannath.V, Associate professor, Department of Zoology, St.Peters college, Kolenchery. Later Quiz completion and poster competition were conducted.

**10. Outcome of the event/Evaluation by Program Coordinator:** The seminar session was very informative. The resource person explained about the importance of ozone layer and green house gases. Students actively participated in the interactive session held at the end of the talk. Participants evaluated the seminar as an informative and effective learning experience
