2. Countering rising energy demands and energy independence

9. Detailed description of the event:

The Physics association inauguration was conducted on 5th June 2018 at 10:00 am at seminar hall. Ms. Priya S Nair, Assistant Professor, Department of Physics was the programme coordinator. The resource person Dr. Vimala George, Assistant Professor, Department of Physics, St: Xavier’s college, Aluva inaugurated the session and delivered a talk on “Energy Conservation”. The talk was jointly organised by the Physics Association and Energy Conservation Club. Resource person talked about the need for energy conservation in today’s world and the various ways of implementing them. She also discussed the benefits of energy conservation with the students. Nearly 20 students participated in the programme.

10. Outcome of the event/Evaluation by programme Coordinator: The talk was very effective in creating awareness on energy conservation among students. The resource person explained about the importance of energy conservation and effective measures of reducing energy consumption in the households. Students actively participated in the interactive session held at the end of the talk. Participants evaluated the talk as an informative and effective learning experience.
