Dear Sir/Madam,

Greetings from SNM College.....

Sree Narayana Mangalam College, Maliankara symbolizes the steady advancement of an underdeveloped village, with its vast population belonging to the backward classes, towards social and cultural regeneration. Its mission has been, as enunciated by the great social reformer of Kerala - *Sree Narayana Guru*, "Emancipation through Education". The institution upholds the message of the great Guru and strives to be a source of enlightenment to the people at large, and the poor and socially backward, in particular. From its inception in 1964, the college has been rendering commendable service as a center of learning and culture.

Our vision in starting Sree Narayana Study and Research Centre (SNSRC) was to propagate the philosophies and ideas of the great social reformer of Kerala, Sree Narayana Guru, among the students and the public. The hopes and aspiration of these youngsters have to be fulfilled through education received from our college. In addition to subjects that come under the syllabus, we thought of providing them lessons from the philosophy of life as preached by Sree Narayana Guru which would help them to cultivate a secular, peaceful, humane and loving attitude to life and society.

In this context, SNSRC and Department of Malayalam of our College is organizing a Three Day Webinar on SREE NARAYANA GURU - LIFE & TEACHING from 23. 03. 2021 to 25.03.2021 to discuss the teachings and visions of the great Guru in the present varying scenario with an insight to inculcate the sense of nurturing mind towards the society.
