8. **Objective of the Program:** To encourage critical thinking, advocacy, and a commitment to addressing global issues, ultimately contributing to a more peaceful and sustainable world among students.

9. **Detailed description of the event:**

As part of the UN Day, the Department of Economics and Political Science organized an inter-departmental Quiz competition on October 25, 2022. Around 29 students participated in this quiz program. This quiz competition about the United Nations and its work encourages the students to learn about international diplomacy, human rights, peacekeeping efforts, sustainable development goals, and other important topics. This knowledge is crucial in today's interconnected world.

10. **Outcome of the event/Evaluation by Program Coordinator:** The program was well organized and the students from various departments participated in this quiz program. Students got an opportunity to listen to different questions pertaining to global issues, the work of the United Nations, and the challenges facing the world. These competitions help students to become more aware of international affairs and global concerns. The inter-departmental UN Day Quiz Competition winners are:
