Circular: Ban on Plastic Usage in College Campus

(To be read in all classes)

No. IQAC/Green Campus/2022/01

1/06/2022

Subject: Implementation of Plastic Ban in College Campus as per UGC Directive

As part of our commitment to environmental sustainability and in accordance with the directive issued by UGC, we are pleased to inform you that our college is taking a significant step towards creating a greener and cleaner campus. We, as a responsible institution, are taking decisive steps to create a greener and cleaner campus.

The following measures are being implemented to ensure the effective ban on plastic:

- **Prevention of Single-Use Plastic Bottles and Cups:** During all college activities, events, and gatherings, the use of single-use plastic bottles and cups is strictly prohibited. We encourage all members of our college community to opt for reusable and eco-friendly alternatives, such as stainless steel or glass bottles and biodegradable cups.
- **Avoidance of Plastic-Coated Paper Cups and Paper Bags:** To further reduce plastic waste, the use of plastic-coated paper cups and plastic-lined paper bags will also be discontinued.
- **Elimination of Plastic Items for Decorations:** All organizing committees are requested to refrain from using any plastic-based decorations during college events.
- **Abolishment of Plastic Flexes in Programs:** Plastic flex materials contribute to non-biodegradable waste. Henceforth, any form of plastic flex usage in college events and programs is strictly forbidden. Please explore eco-friendly options for promotional materials and banners.

We request all members of our college community to wholeheartedly support this initiative and actively contribute to its successful implementation. Together, we can create a significant positive impact on our environment and future generations.

Thank you for your unwavering cooperation.

Sincerely,

Principal
