## Quality Policy

***The policy is to provide value and need based quality education to all by extending the necessary, supportive infrastructure and environment, by continuous improvement of quality of services, by establishment of performance standards, and by supporting progression to higher education aiming at producing responsible citizens of good character and ethics who are also high quality professionals.***

**Accordingly the college has objectives committed to:**

- ✓ to provide value and need- based education to all, especially the socially and educationally backward sections
- ✓ to provide all supportive infrastructure and environment for achieving high standards in research, teaching and learning
- ✓ to achieve excellence in education through continuous improvement in the quality of its services
- ✓ to establish and enhance the standards of performance constantly
- ✓ to provide quality education conducive for progression to higher levels
- ✓ to produce high quality professionals
- ✓ to generate responsible citizens with good character and ethics

**The quality objectives are effected , evaluated, reviewed and revised annually and communicated to staff and students:**

- \* By ensuring continual improvement of curriculum in tune with the needs
- \* By adapting effective delivery mechanisms
- \* By undertaking quality research in the frontiers of science and technology
- \* By continuous augmentation and renewal of infrastructure and facilities
- \* By creation of congenial and conducive work environment
- \* By promotion of team work and proactive participation
- \* By involvement of all stake holders in growth and development of the college

The policy communication to all stakeholders, particularly staff and students, is to ensure the importance of the policy with regard to its meaning, relevance and commitment to it. It is displayed in English or regional language (Malayalam) at prominent places of college campus for the attention of all.
