- 4. Date :** September 20th & October 4th, 2023
- 5. Number of participants:** 22
- 6. Venue:** Economics Department
- 7. Resource Person :** Nil
- 8. Objective of the Program:** To inculcate a vision about environmental sustainability among students.
- 9. Detailed description of the event:**

As part of Gandhi Jayanthi programme, the Department of Economics has organized a cleaning drive and planting of indoor plants in the department on September 20th and October 4th, 2023. The Department of Economics took the initiative to plant many indoor plants in and around the staff room and the classes of the Economics department. Around 16 students and the teaching staff actively participated in this programme. This initiative aimed to improve air quality, reduce stress, enhance aesthetics, and promote a sense of well-being among students and staff. The introduction of indoor plants at the department has proven to be a valuable initiative, offering multiple benefits to the student and teaching community. The SAAKALYA programme aligns with the college's commitment to creating a healthy, sustainable, and welcoming environment for all. The types of indoor plants chosen include: Snake Plants, Spider Plants, Pothos, Peace Lilies, Lucky bamboo, Calatheas, Aloe vera etc.

10. Outcome of the event/Evaluation by Program Coordinator: The students and the staff actively engaged as part of the beautification of the department. The department placed 20 indoor plants in the corridor of the department. The students from II MA Economics took the initiative to paint and decorate the pots. All the students are actively engaging in watering these plants. By placing these plants, the students expressed that it created a positive environment in their studies and overall well-being.
