

S.N.M COLLEGE MALIANKARA
(Affiliated to Mahatma Gandhi University, Kottayam)

1. Title of the program: Interdepartmental Poster Competition

2. Name of the Coordinator : Dr.Athira K. J.

3. Organizing Department/Cell : Department of chemistry

4. Date : 15th December 2023, at 11 am

5. Number of participants: 6

6. Venue: Chemistry Department

7. Resource Person/s : NIL

8. Objective of the Program: Every year, we celebrate December 14th as National Energy Conservation Day. The purpose of celebrating this day is to raise global awareness and action for solving energy crisis.

9. Detailed description of the event:

As the part of National Energy Conservation Day celebration, the department of chemistry organized an interdepartmental poster competition for students. Theme of the poster was “Innovative ideas for solving energy crisis”. The program was coordinated by Dr. Athira K.J., (Convenor of chemistry association). The competition was started at 11 am. The poster competition witnessed enthusiastic preparation and participation from the students. They showcased their different innovative ideas for solving energy crisis by illustrating colourfully. After the competition, Ms..Anusree.K.U. declared the winners of the competition..Nakshathra Arunnath from I BA English won the first prize and IInd prize went to Adarsh Augustine from PG department of commerce. Finally, Ms. Anusree K. U. gave the vote of thanks, expressing gratitude to all the participants.

10. Outcome of the event/Evaluation by Program Coordinator: Every year, the United Nations marks December 14th as National Energy Conservation Day, a day designed to spread the message on the importance of conserving energy and to showcase the achievements of the nation in energy efficiency and conservation. The poster competition helped to raise awareness among the students about the innovative ideas for solving energy crisis
