As part of International Environmental Day, the Department of Economics has organized a field Trip/Nature visit to Mangalavanam Bird Sanctuary, an ecologically sensitive area in Ernakulam district on June 5th, 2023.

Around 15 students and 2 teachers participated in this nature visit. The nature visit proved to be a valuable educational experience, achieving its objectives of promoting environmental awareness and fostering a connection with nature. The students gained firsthand knowledge of local ecosystems, developed a sense of responsibility towards the environment, and forged lasting memories. Such excursions play a crucial role in shaping environmentally conscious individuals who are likely to contribute positively to the preservation of our natural world.
- 10. Outcome of the event/Evaluation by Program Coordinator:** The program was well organized and the staff and students of the Economics department participated in this visit. Overall, the nature visit was a resounding success, leaving a lasting impact on the students' understanding and appreciation of the natural world.
