

# S.N.M COLLEGE MALIANKARA

(Affiliated to Mahatma Gandhi University, Kottayam)

**1. Title of the program: READING COMPETITION&QUIZ COMPETITION**

**2. Name of the Coordinator/s :** Mrs. Ragi Sekharan k

**3. Organizing Department/Cell :** Malayalam

**4. Date :** 2023 June 19

**5. Number of participants: READING COMPETITION-23&QUIZ-14**

**6. Venue:SEMINAR HALL**

**7. Resource Person/s :** JUDGES-VIJI M P&SHIJI T S(ASST. PROFESSORS IN SNMC)QUIZ MASTER-VIJI M P

**8. Objective of the Programme :**

1. The aim of the challenge is to get children to read a wide variety of books from the specially selected list on different themes. The challenge inspires children to read for fun, pleasure and personal achievement. It helps them explore new titles by different authors and talk about them with their friends.

2. The Objective behind to organize Quiz competition is to evaluate the knowledge of the participants within academics as well as beyond academics and to make them familiar with the prospects of quizzes and the objectivity of the questions.

**9. Detailed description of the event:** A reading competition and quiz competition was conducted on the occasion of National Reading Day on 19 June 2023 at 10 am in the seminar hall. The program started with a prayer by Neetu, a second year Malayalam postgraduate student . The students who registered for the reading competition and quiz competition reached the seminar hall . The reading competition was judged by Viji M P & Shiji T S (Assistant professors, Malayalam Department).Viji M P act as quiz master and then conducted a quiz competition with 7 teams. 23 students participated in the reading competition. Hridhya CS 2nd MSc Physics student won the first prize, Varsha Shibu of 2nd MA Malayalam won the second prize and Aishwarya Bhaskaran of 2nd M com won the third prize. Seven teams participated in the quiz competition. The first prize was won by Anjana K S and Swathikrishna T M of 2nd MA Malayalam and the second prize was won by Hridya C S Manjusha M R of Second MSc Physics.

**10. Outcome of the event/Evaluation by Program Coordinator:** The goal of the Book Reading Competition is to stimulate, encourage and activate reading on a continuous basis. Students develop the habit of creative learning early on since questions are not focused on the curriculum and demand critical thought and in-depth study. Quizzes require students to work in groups, allowing them to develop their teamwork abilities. It is bridging the gap between academia and industry. Playing quiz games frequently improves their information retention, decisiveness, and analytical skills. When players have a solid ability to retain information, their ability to answer a wide range of questions improves. A higher level of decisiveness reduces mulling and overthinking, allowing players to react faster
