- 9. Detailed description of the event:**

Department of Physics in association with Institution’s Innovation Council, S.N.M College, Maliankara organized an awareness class on energy conservation titled “Sustainable living through energy conservation” on 19th December 2023 at 1:30 pm at S.N.M. college seminar hall. Dr. Lakshmi S Bose (Physics Association Convener) Assistant Professor, Department of Physics welcomed the audience. The resource person was Mr. Azeem K, Founder, Alenso Energy Private Limited. The main focus of the talk was on the activities and initiatives that every citizen has to take in favour of energy conservation. He discussed in detail about the various ways of saving energy and the need for saving energy with examples. The speaker presented an overview of energy scenario in India and insisted on the increased use of solar panels. He also gave information regarding different renewable sources and the use of renewable sources.
- 10. Outcome of the event/Evaluation by Programme Coordinator:** The talk was very interesting and successful in creating awareness on the importance of energy conservation among students. Nearly 50 students were benefitted by the programme. The session was highly interactive and participants actively interacted with the speaker. The programme thus met the objective for which it was planned and organized.
