9. Objective of the Programme: To give awareness about life, feelings and culture of queer existing in the world through literature and cinema.

The word queer denotes or relates to a sexual or gender identity that does not correspond to established ideas of sexuality and gender, especially heterosexual norms. The talk was initiated with an objective of giving awareness about the queer in society. It also aimed to discuss the hues concerning queer like identity through Indian cinema and to understand about the interdisciplinary field that encourages the students to look at the world through new avenues.

10. Outcome the Event

The programme was of help for the students to broaden their mindsets regarding their outlook towards the queer. It envisaged the students to change their vision, perceptive and attitude towards the queer and helped them to propagate those concepts in the society. The talk was really an eye opener to the students who are not familiar with these concepts.
