About the College

S.N.M. College Maliankara symbolizes the steady advancement of Moothakunnam, which was an underdeveloped village, towards social and cultural regeneration over the years. The Mission of SNM College has been, as enunciated by the great social revolutionary of Kerala, Sree Narayana Guru, "Emancipation Through Education".

We began the task of transforming lives in 1964, with the inauguration of our institution by Sri Sahodaran Ayyappan, an ardent disciple of Sri Narayana Guru. Situated amidst expansive green landscapes, our college has been delivering Degree Programmes since 1972, with the addition of Postgraduate Programmes since 1983. Today there are 13 Degree Programmes, 8 Postgraduate Programmes and one Integrated Programme. From 2011 onwards two Research Centers function for the students who pursue Doctoral Programme in Botany and Chemistry. Reaccredited by NAAC in 2016 with a B++ grade and a GPA of 2.81, we constantly strive against all odds to excel and establish ourselves in the higher education sector.

Over the span of six decades, SNM College has stood as a beacon of knowledge, enlightenment, and progress in the realm of higher education. Nestled in the coastal village of central Kerala, this institution has played a pivotal role in educating the rural populace, leaving an indelible mark on the educational landscape.

As we commemorate the significant milestone of sixty years, we extend a heartfelt invitation to all to join us in a year-long celebration of our Diamond Jubilee. This momentous occasion will be dedicated to honoring achievements, cherishing memories, and reflecting on the unwavering spirit that has molded SNM College into the esteemed institution it is today.

During the Jubilee year, do look forward to a captivating array of carefully planned events, including academic symposiums, cultural festivals, alumni gatherings, and community outreach programs. These activities are designed not only to revel in the rich history of SNM College but also to pave the way for a future defined by sustained growth, excellence, motivation, and passion.

Our Jubilee celebration kicks off with a Multi-disciplinary International Conference, themed 'Relevance of Sree Narayana Guru's Vision in the Contemporary World.' This conference is organised by the Sree Narayana Study and Research Centre in collaboration with the Internal Quality Assurance Cell (IQAC) of SNM College Maliankara.

Join us as we embark on this exciting journey of commemorating the past, celebrating the present, and laying the groundwork for a future filled with promise and success.

About the Conference

The Sree Narayana Study and Research Centre at S N M College, Maliankara, serves as a driving force in promoting the philosophy of Sree Narayana Guru. Established in 1996, the organization is dedicated to the comprehensive development of students by imparting the principles of Guru. The centre regularly organizes value-based seminars, competitions, and certificate courses to enlighten students. We strive to bring the philosophical insights of Guru into the daily lives of students and the community.

The International conference – 'Relevance of Sree Narayana Guru's Vision in the Contemporary World' is aimed at societal welfare. This conference seeks to integrate ordinary individuals into the intellectual discourse by highlighting the contemporary significance of Guru. The primary objectives of organizing this conference are to foster societal well-being and advancement.
